Please initial the following indicating you have read, understand, and will abide with the terms outlined below.

\_\_\_\_ I understand to gain the most from the counseling process it is important to be as active, open, and honest as possible with my counselor and work toward the goals we have mutually agreed upon.

\_\_\_\_ I also acknowledge that seeing a counselor each week will be of little benefit without additional effort outside the counseling office. This work can include thinking about the material covered in my session, making myself aware of my behavior, and/or working on specific assignments made by my counselor (*e.g. keeping a log, reading a special book, practicing a new skill*).

\_\_\_\_ Even though my counselor will provide guidance and specific tools towards obtaining my goals it is my responsibility to ask clarifying questions and properly apply them.

\_\_\_\_ I understand that counseling sessions may involve the risk of remembering painful events, can elicit intense emotions, and I may find my goals change over the course of the counseling process.

\_\_\_\_ I understand the benefits of counseling, although not guaranteed, may assist me in developing healthier, more satisfying relationships, aligning my core values and principles with how I in live my life, and managing the stressors of life in a more healthy and productive manner.

\_\_\_\_ In the event of an emergency I understand to call 911 or the Brevard Crisis Line at 632-6688.

\_\_\_\_ I understand that all communications become a part of my clinical record, which is accessible to me according the *Notice of Privacy Practice* with written notification.

\_\_\_\_ I agree to make any cancellation/reschedule at least 24 hours before the scheduled appointment. I understand that if I fail to do so I will be charged the **full donation amount**.

\_\_\_\_ I understand the suggested donation and acknowledge my counselor will set up a schedule to best meet all my needs.
